

EEO for Supervisors and Managers

Description: Emphasis on the way to avoid missteps and how the actions of managers and supervisors can affect the workplace. Participants are taught the basics of EEO law, the process and their responsibilities with respect to EEO. Use of real life federal sector scenarios and group discussion to address more unclear areas of EEO law. Other subjects that may be covered include federal sector disciplinary actions, interviewing and selection, EEO investigations and hearings, religious and other forms of expression in the federal workplace and USERRA. Participants receive a 250-page book, tailored for specific clients, that is used during the training and as a future reference.

Length: 4 or 8 hours.
